DETAILS OF AWARD OF ORDER/TENDER ETC. ON NOMINATION BASIS DURING 2nd QTR OF THE FINANCIAL YEAR 16-17 (i.e. from 01/07/2016 to 30/09/2016)

SI No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN Rs	REMARKS
(i)	Purchase Orders					
1	BCPL/C&P/5100000541/ND, dtd 18.07.2016	18/07/2016	Procurement of control valves 113-FV-6851 in ECU, BCPL, Lepetkata	M/s Emerson Process Management ,Kolkata	387439	Since the maximum flow rate of the control valve at 100% opening under design process condition limiting the plant capacity and the overall load of the plant cannot be enhanced. Therefore, meet the urgent requirement of a suitable control valve, the order has been placed on Nomination basis to the reputed vendor M/s Emerson Process management Chemical Pvt. Ltd.
2	BCPL/C&P/5100000567/MD, DTD 29.07.2016	29/07/2016	PROCUREMENT OF SILANE FOR PP UNIT, BCPL, LEPETKATA	M/S WACKER METROARK CHEMICALS PVT. LTD., Kolkata	1017609	Silane (C-donor) used in PP plant is a critical chemical for controlling the atactivity of PP Powder and plant cannot be kept in operation without continuous dosing of Silane as per design dosing rate. Due to various reasons the consumption of Silane have been increased against the standard specific consumption figures. Considering the delivery schedule of 5 months of the order in pipeline (which has been placed against tendering) & alarming stock position of the Silane in plant , to meet the urgency of the requirement, order has been placed on M/s Wacker on Nomination basis for supply of Silane which was technically acceptable and price was also comparable with the existing PO price , moreover delivery schedule was 30 days which met the requirement . Also alternate sources were explored for availability of the Silane , but have regretted.
3	BCPL/C&P/551/5500000026/ND, dtd 20.09.2016	20.09.2016	Repairing of Extruder Vent fan (117-KA-440) of LLDPE/HDPE Unit, BCPL, Lepetkata	M/s Metal Moulders, Guwahati	435060	The extruder vent fan install in LLDPE/HDPE unit, which is critical to this unit got damage during operation. There is no standby of this equipment and presently there is also no spares available. The lead time of the spares from the OEM is 12-20 weeks . To avoid delay, due to urgency of the requirement order has been placed on Nomination basis who have inspected the equipment at BCPL site and confirmed to repair the damage items as other vendor regretted their inability.

ANNEXURE-I

DETAILS OF AWARD OF ORDER/TENDER ETC. ON NOMINATION BASIS DURING 2nd QTR OF THE FINANCIAL YEAR 16-17 (i.e. from 01/07/2016 to 30/09/2016)

SI No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN Rs	REMARKS
1	BCPL/C&P/5600000247/MK dtd 05.08.2016	8-May-16	IMPLEMENTATION OF E-PROCUREMENT	M/s NICSI	721000	The e-tendering platform with NIC is readily available, tested and proven system supported by expert technical team of NIC. The business processes of public procurement are already mapped in their system. The information security, confidentiality and availability aspects as well as compliance to all the security guidelines have already been incorporated in NIC system. Moreover large number of the tenders of various government departments and PSUs are hosted on it. Further, NIC offered solution is on Cloud service model. BCPL will get this services without having to set up its own infrastructure and procurement of dedicated server & its maintenance which will be done through CPPP server of NIC. Hence, their offer is much more cost effective compared to having an in-house dedicated setup. Also, NIC is a Government entity responsible for building e-Government /e-Governance applications for all the Ministries/ Department of the Central Government, State Government & Union Territories. Therefore, the order has been placed on M/s NICS, New Delhi on Nomination basis for implementation of E-procurement in BCPL.
2	BCPL/C&P/5600000277/MK, dtd. 26.09.2016	26/09/2016	Hiring of Services for external safety Audit of BCPL, Lepetkata and BCPL, Lakwa	M/S National Safety Council, Mumbai	731000	BCPL, Lepetkata plant has been commissioned and presently in operation phase. To implement best possible safety standards in the complex, external safety audit at Lepetkata was required to be carried out. Further, precommissioning safety audit at Lakwa was required to be carried out by a reputed external agency for PESO approval / clearance for commissioning/precommissioning. National Safety Council (NSC) is a Non-commercial, Non-profit making Autonomous Apex Institution set up by the Ministry of Labour, Government of India and registered as a Public Trust. NSC has a track record conducting safety audit, HAZOP study and risk assessment etc. over a period of 30 years. A quotation was earlier obtained from EIL for carrying out safety audit, however, the quotation received from M/s NSC for carrying out the safety audit at Lakwa and Lepetkata was approx 70% lower than EIL's rate (Rs 24 lakh). Further in view of visit of PESO for approval/clearance of Lakwa site for precommissioning/ commissioning, safety audit was required to be carried out urgently. Therefore, order has been placed on M/s National Safety Council(NSC) on nomination basis to carry out the safety audits for BCPL, Lakwa and BCPL, Lepetkata.

3	BCPL/C&P/5600000252/IMK dtd. 18.18.2016	18/08/2016	Hiring of Services for Transportation of Propylene from BCPL, Lepetkata to BCPL, Lakwa	M/S Shree Ram Roadways, New Delhi	273000	Propylene Refrigeration System is one of the critical system to commission before over all commissioning of BCPL Lakwa. BCPL Lakwa needs 11MT of propylene for one time to commission its propylene Refrigeration System. Since there is no propylene tanker available in north east region and to meet the urgent requirement, the order has been awarded to M/s Shree Rama Roadways (who was earlier awarded job for transportation of propylene for BCPL) on Nomination basis
4	LOI No. BCPL/C&P/LE16SW162/MD/00178 dtd. 26.09.2016	26.09.2016	Service contract for Transportation of 125 KL of LDO from IOCL, Bongaigaon to BCPL, Lepetkata	M/S Assam Engineering Works, Bongaigaon	265625	The consumption pattern of LDO in ECU is based on type of furnace feed, since last few months, due to non-availability of enough Naphtha, eventually the consumption of LDO have increased to maintain viscosity of circulating quench oil to maintain sustainable and uninterrupted operation of ECU. Accordingly to make the availability of LDO from M/s IOCL, Bongaigaon, transportation order has been placed on Nomination basis to the existing transporter M/s Assam Engineering Works.
