ANNEXURE-I

DETAILS OF AWARD OF ORDER/TENDER ETC. ON NOMINATION BASIS DURING 3rd QTR OF THE FINANCIAL YEAR 16-17 (i.e. from 01/10/2016 to 31/12/2016)

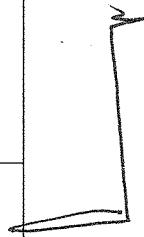

SI No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN RS	REMARKS
(i)	Purchase Orders					
1	BCPL/C&P/00411/5100000697/MD DT 10.10.2016	10-Oct-16	Procurement of 20MT Antiblocking Agent for LLDPE/HDPE units of BCPL- Lepetkata	M/S SATYAM POLY PLAST, RAJASHTHAN	23,72,341.00	The Antiblock Agent is required for production of LL grade (F20S0101) polymer. An order for supply of 60.5 MT Antiblock Agent was placed on M/s PQ Silica UK Ltd. and the same was yet to be despatched from UK as on that date. Due to production of LL grade polymer for extended period, the consumption of Antiblock Agent was high as compared to what was envisaged during the initial planning stage due to high demand of LL grade in the market and stabilization issues of HDPE grades. Considering low stock and continuous run of the plant as per the market demand, as a stop gap measure, the order was placed immediately on nomination to M/s Satyam Polyplast, Jaipur, Rajasthan for supply of 20 MT Antiblock Agent on FOT, BCPL, Lepetkata basis. Moreover, the offered price was reasonable compared to the market price of the material. The offered price was Rs. 54,000/MT which was Rs. 9100 higher than the price at which the vendor was supplying to GAIL. The difference in price as compared to GAIL PATA was due to higher freight charges and demographic location of BCPL Plant.
2	BCPL/C&P/00409/LE16S238MD/520 0000139/MD DT 12.10.2016	12-Oct-16	Procurement of 270 Kg Molecular Sieves for Pentane Treater of LLDPE/HDPE unit, BCPL, Lepetkata	M/S UOP LLC, USA	USD 4077 (Rs. 2,71,120.00 considering 1US\$=Rs.66.50 as on 28.09.2016)	Pentane treater VV 944 is provided to ensure desired feed quality for polymerization reaction as per Licensor specification. It was observed that the above Pentane treater is unable to deliver desired specification at outlet of Pentane stream. Even after regeneration, no performance improvement has been noticed which may be causing disturbance of polymerization reaction. Hence it was suspected that the adsorbent bed might get exhausted and accordingly it is required to fill with fresh quantity of adsorbent, i.e molecular sieve for the pentane treater (VV 944). Considering the urgency of requirement, purchase order has been placed on M/s UOP, USA on nomination basis with same price and terms & condition of the previous PO which was placed on competitive bid basis.

ANNEXURE-I

DETAILS OF AWARD OF ORDER/TENDER ETC. ON NOMINATION BASIS DURING 3rd QTR OF THE FINANCIAL YEAR 16-17 (i.e. from 01/10/2016 to 31/12/2016)

Sl No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN RS	REMARKS
3	BCPL/C&P/00496/LE16S315MD/510 0000790 DT 01.12.2016	1-Dec-16	Procurement of 180KG Anti static Agent (Atmer 163) for LLDPE/HDPE unit of BCPL, Lepetkata	M/S CRODA INDIA COMPANY PVT.LTD.,MUMBAI	1,41,768.00	During transition from LLDPE to HDPE grades, polymerization operation was getting disturbed due to generation of static charges inside the reactor which leads to instability of reactor skin temperatures and formation of agglomerates. Due to this reason, several times shut down had been taken followed by reactor internal inspection and cleaning. Considering the urgency of requirement, as per confirmation from Licensor M/s Ineos, anti static agent (Atmer 163) was procured from M/s Croda on nomination basis as their product has already been used in variety of Ziegler polymerization technologies, moreover one drum (180 kg) of anti-static agent(Atmer 163) was readily available with them in India.
4	BCPL/C&P/00528/LE16S327MD/510 0000807 DT 13.12.2016	13-Dec-16	Procurement of 200MT Co-Monomer (Butene-1) BCPL, Lepetkata	M/S HALDIA PETROCHEMICALS LIMITED, KOLKATA	2,30,61,424.00	Butene-1 is used as co-monomer for LLDPE/HDPE production. BCPL had placed orders for supply of Butene-1 to M/s GAIL and M/s RIL. However, due to various reasons the supplies were not forthcoming as desired. Considering the alarming stock position of Butene-1 due to inconsistent, inadequate and even complete stoppage in supply from the sources i.e GAIL & RIL, which was adversely affecting the plant operation, immediate action was required to be initiated to procure Butene-1 from other sources. Accordingly, M/s Haldia Petrochemicals Ltd. (HPL) was contacted who initially expressed its reluctance, but on persuasion, had agreed to supply Butene-1 to BCPL. Therefore, purchase order was placed on M/s HPL, Kolkata, on nomination basis for supply of 200 MT of Butene-1 to sustain plant operation.

Sl No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN Rs	REMARKS
1	BCPL/C&P/90000099/LE16W130BB /560000310/BB dtd 03.11.2016	3-Nov-16	Hiring of 50 Seater AC Bus on 12 Hrs duty for a period of 2 years.	M/S ASSAM STATE TRANSPORT CORPORATION, GUWAHATI	Rs.31,14,000.00	Contract for hiring of a 50 seater Bus was awarded to M/s ASTC on nomination basis for a period of two years. On expiry of the above contract with M/s ASTC, to maintain the continuity of services, again order was placed on M/s ASTC on nomination basis as per the price and terms & condition of previous order. M/s ASTC is extending similar services to other PSUs like ONGC etc in Assam. Moreover, ASTC is a Govt. organization and services have been found to be satisfactory with a lot of other direct and indirect advantages in operation part. Further, the offered price was also reasonable as the rates were as per the previous contract. Therefore, it was felt prudent to hire the services of M/s ASTC on nomination basis.
