						best availability/best endeavour basis. Open ICB tender was also floated and could not be successful even after extension of due date number of times, which may be due to heavy detention charges of ISO gas tanks, lack of storage facilities at port, demographic location of BCPL, logistic issues etc. In order to overcome the precarious situation and to meet the urgent requirement of plant, on persistent follow-ups, for the first time, M/s OPaL agreed to supply 200 MT Butene-1 and accordingly order was placed on nomination basis in Feb'2017 which party had executed. Still there was short fall in required quantity for which persistent follow-ups was being made with M/s OPaL to supply additional quantity which M/s OPaL agreed. Purchase order was issued in April'2017 for supply of

Three nos. of M/s Kilosker Ebara make Pumps are installed as quench water circulation pump in ECU which is a critical unit of plant. It has been observed that all the three pumps were drawing more power (steam/current) to develop the rated pressure due to wear & tear in the impellers which needs to be replaced immediately. The price of M/s Metal Moulders, Guwahati is 32% lower than the OEM, moreover, the delivery period is quite less as compared to OEM and M/s Metal Moulders has successfully completed similar jobs in reputed government organizations such as M/s OIL, M/s NEEPCO, M/s IOCL, M/s Chandra Power Plant, Guwahati. M/s Metal Moulders also have previous experience in BCPL for repairing &
