1	BCPL/C&P/0110 7/LE17S289MD/ 5100001215 DT 14.08.2017	14.08.2017	Procurement of 12000 MT Butene-1 from M/s HPL to BCPL, Lepetkata	M/s Haldia Petrochemic als Ltd.(HPL), Haldia	<b>106,04,19,840.00</b>	<p>Prior to commissioning of plant, purchase order was issued on related party basis to M/s GAIL for supply of 5000 MT Butene-1 per annum for a period of 3 years on best endeavour / best availability basis so that plant can run after commissioning without any hindrance. However the supply from GAIL was not forthcoming, therefore, after commissioning of plant and subsequent operation phase, other sources were explored.</p> <p>Purchase orders were issued to M/s RIL on sole participated and qualified bidder against open domestic competitive e-bidding basis which had been executed except the P.O. for 1800 MT Butene-1 placed in Sept'16, citing the reason that their offer was on best availability/best endeavour basis.</p> <p>M/s IOCL was also contacted to supply Butene-1, but regretted citing the reason that there is no spare-able quantity for sales. Efforts made to procure Butene-1 through ICB tender had not yielded fruitful result.</p> <p>As the supply of Butene-1 from M/s RIL and M/s GAIL was inconsistent/intermittent, effort was made to procure Butene-1 from M/s HPL who only had shown interest to supply Butene-1 on long term basis. Accordingly purchase order for procurement of 6000 MT was issued to M/s HPL in Jan'2017 and the same has been fully executed.</p> <p>However, the quantity of Butene-1 being procured from all the suppliers was not sufficient to meet the monthly requirement of Butene-1.</p>

Sl. No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN Rs	REMARKS
						<p>Further, due to high demand of film grade polymer, the consumption of Butene-1 in production has also increased. To maintain the adequate quantity of supply of Butene-1 [2200MT per month at 100% load], purchase order has been issued to M/s OPaL in April' 2017 for 6000MT Butene-1 for a period of one year on best endeavour /availability basis, but M/s OPaL has stopped supply of Butene-1 since June, 2017 after supply of only 17.6MT.</p> <p>Time to time various purchase orders with quantity 100-300 MT have been to M/s RIL on nomination basis to meet the monthly requirement of Butene-1 as a stop gap measure which have also been executed.</p> <p>Due to above efforts in sourcing of Butene-1, there is a marked improvement in capacity utilization of LLDPE unit since Jan'2017 which contributed to registering cash profits since Feb'2017 onwards.</p> <p>The existing contract with M/s HPL was getting expired in the month of July'2017 and there was no other firm offer for long term commitment from other sources. Hence, effort was made to persuade M/s HPL to supply Butene-1 on long term basis. Accordingly, M/s HPL has agreed to supply Butene-1 to BCPL on long term basis. Considering no alternative and as a fait accompli situation, BCPL has to resort to ordering on nomination basis for procurement of Butene-1 who-so-ever is showing interest to supply as either spot or long term basis. Based on the offer submitted, purchase order has been issued to M/s HPL in August'2017 for supply of 12000 MT per annum [ @ 1000 MT per month] Butene-1 which is under execution.</p>

Sl. No.	TENDER/ENQUIRY NO./P.O. NO.	DATE ON WHICH AWARDED	DESCRIPTION OF ITEM/WORK	PARTY TO WHOM AWARDED	VALUE IN Rs	REMARKS
2	BCPL/C&P/0114 7/LE17S315MD/ 5100001234 DT 31.08.2017	31.08.2017	Procurement of 132 MT HCL (min 30% Conc.) for BCPL, Lepetkata Dibrugarh	M/s Babul Battery Service, Tinsukia	<b>9,34,560.00</b>	<p>HCL is required in DM Plant for regeneration purpose. In the month of Aug'2017 due to incessant rain &amp; flood situation at many places in Assam &amp; West Bengal, tanker movement were severely affected and Hydrochloric Acid (HCL) tankers dispatched from M/s Shakambari Enterprise (supplier of HCL) could not report at BCPL site in time for which, the stock position of HCL at BCPL plant reached to alarmingly low level. HCL is being supplied by M/s Shakambari Enterprise from Jharkhand to Lepetkata.</p> <p>Considering the urgent requirement of HCL, local vendors were contacted. Subsequently vendors from Jorhat &amp; Tinsukia responded. M/s Vishal trade Centre, Jorhat offered to supply HCL in drums only, whereas M/s Babul Battery Service, Tinsukia confirmed to supply by tanker. Telephonically offered price of M/s Vishal trade Centre, Tinsukia was higher than the offered price of M/s Babul Battery Service, Tinsukia.</p> <p>Accordingly, to avoid plant shut down and to meet the urgent requirement of HCL, purchase order was issued to M/s Babul Battery Service, Tinsukia on nomination basis for supply of 132 MT of HCL.</p> <p>Moreover, the ordered price @ Rs. 6000 Per MT (Basic price + Freight) to M/s Babul Battery Services, Tinsukia was cheaper than the existing purchase order price issued to M/s Shakambari Enterprises (India) Pvt. Ltd, Kolkata (Rs. 6200/- Per MT ) against competitive bidding.</p> <p>Further to the details as mentioned at sl no. 1 above.</p>
3	BCPL/C&P/0117 2/LE17S321MD/	06.09.2017	Procurement of 200 MT Butene-	M/s Reliance	<b>2,17,32,296.00</b>
