Dear Vendors,

Brahmaputra Cracker and Polymer Limited (BCPL), situated at Lepetkata (Assam) India, is a central Public Sector Undertaking of Govt. of India, the first ever Petrochemical Project in entire North East India. The project came as a part of the historic Assam Accord signed on 15th August, 1985 with the motive of overall socio-economic development of the region. This project has been commissioned & come to operational phase in last Feb'2016 by Honourable Prime Minister of India.

Since the start of BCPL project, various types of procurement of materials (capital items, spare, store, chemical, consumables etc) & services (works, AMC services etc) are carried out on day to day basis. The procurement of materials & services is being done through manual tendering mode at present along with hosting in BCPL, GAIL & CPP Portal.

As BCPL recently come to operational phase, the requirement of materials & services may shoot up in future. Keeping in view of the trend of procurement, BCPL shall adopt e-tendering mode shortly in place of manual mode. Submission of documents shall be in e-mode only. No hard copy of bid shall be accepted whenever e-tender is published.

This is for information to all prospective bidders please.

Thanking you,

Contracts & Procurement Department
Brahmaputra Cracker And Polymer Limited
